Reasons for Allowance

Claims 1-2 of the amendment dated 8/11/2006 are allowed. The following is an examiner's statement of reasons for allowance of claims 1-2: Nothing in the prior art anticipates or suggests, "the zoom region indicator having a width and an independent associated marker which spans the width of the zoom region and has a length equal to or greater than the width of the zoom region, the length being greater than the width of the zoom region when the width is less than a specified dimension" in a method of indicating and manipulating a zoom region within a long data record comprising: displaying the long data record as a displayed waveform; in response to zoom data which defines a location and scale for the zoom region, displaying a zoom region indicator representing the zoom region with the displayed waveform, the zoom region indicator having a width and an independent associated marker which spans the width of the zoom region and has a length equal to or greater than the width of the zoom region, the length being greater than the width of the zoom region when the width is less than a specified dimension; simultaneously displaying with the displayed waveform a portion of the displayed waveform defined by the zoom region as a zoomed waveform; and manipulating the zoom region by moving the associated marker along the displayed waveform with a pointer device to display other portions of the displayed waveform as the zoomed waveform, set forth in the independent claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for
